

QSS/OASIS W2 for Tax Year 2017 Webinar

sponsored by the Harris School Solutions

W2 for Tax Year 2017 – sponsored by Harris School Solutions

QSS/OASIS Customer Education

Summary

The W2 for Tax Year 2017 webinar will present the information required for tax year 2017 W2 reporting:

- Producing W2 forms and electronic submission files
- Reviewing tax year 2017 changes in W2 reporting requirements
- Maintaining W2 program options and control files
- Preparing employee pay history records for W2 Processing
- Updating employee W2 data from APY payment transactions
- Extracting and merging all employee W2-related information
- Managing manual updates to employee W2 data
