

You can view, print, and download materials for Webinars from this page.

- Presentation materials are in PDF format. Adobe Reader or Acrobat 5.0 or newer is required to view or print these files. You can download the current version of Adobe Reader for free from [Adobe's web site](#).
- HSS customers on full support can view, download, print, copy, and distribute these materials for use within your organization, as described in the Copyright Notice on the bottom of this page.
- To make printing easier, HSS suggests you download a document to your PC before printing it.
- Our goal is to post handouts for each webinar around 24-48 hours in advance.
