

QSS Customer Education

Welcome to the Introduction to Position Control (STD+ENH) Seminar

The **Introduction to Position Control (STD/ENH)** seminar, sponsored by the QSSUG Finance/Personnel Committee, will train end-users on the QSS/OASIS Standard and Enhanced Position Control software.

When is it?

Thursday, **November 10, 2016**, from **9:00 am** to **4:00 pm** (Pacific).

Who might be interested?

HR/Payroll administrators and staff; Business Services administrators; Technical Support staff; other staff interested in learning more about QSS/OASIS Position Control.

Why attend?

The **Introduction to Position Control (STD+ENH)** seminar covers:

- Defining what Position Control is and isn't
- Explaining the differences between Standard and Enhanced Position Control
- Exploring the Master Files required to maintain Position Control data
- Maintaining Position Control data
- Using Position Control data to generate salary and benefits cost projections
- Linking Position Control and Budget Development
- Linking Position Control to Payroll

What does it cost to attend?

\$25 for each participant attending the seminar employed by organizations that are current QSS Users Group Finance/Personnel Committee members, or **\$250** for non-members.

How do I register?

- Complete the registration form included with this flyer and return it to **QSS no later than Thursday, October 27, 2016**.
- Include with the registration form **one** check made payable to **QSS** for the appropriate amount for each participant attending the seminar. Please reference the name and date of the seminar on your check.
